## Miscellaneous

<b>School Site/Land Cash</b>	In accordance with the then current Land Cash Ordinance of the Village	
<b>Water Tap-On Fee</b>		\$1,000 per occupancy unit
<b>Sewer Tap-On Fee</b>		\$1,100 per occupancy unit
<b>Sewer Use Fee</b>		\$1,200 per occupancy unit
<b>Water Expansion Fee</b>		\$1,000 per occupancy unit
<b>Water Meter</b>		\$400 per occupancy unit
<b>Building Permit Water Charge</b>	A flat water service charge of \$75 for each residential building and a flat water service charge of \$300 for each commercial or industrial building shall be paid to the Village for each 3-month period while the building is under construction and before the permanent water meter is installed to cover the anticipated water use in the building prior to the installation of the permanent water meter. The first 3-month period water charge shall be due and payable upon the issuance of the building permit. All building permit water charges shall be paid in full prior to the issuance of an occupancy permit for the building. If, in the opinion of the Building Inspector, the use of water during the construction period may be excessive, the Building Inspector may require the installation, at the owner's expense, of a temporary outside meter to measure water used and to be paid for at the regular metered water rates.	
<b>Re-inspection Fees</b>	\$25 for the first re-inspection \$50 for an additional re-inspection for the same discipline	
<b>Additional Inspections required by Building Inspector</b>		\$25.00
