

**Grundy County, IL**  
**Mass Vaccination Schedule**

Grundy County Health Department (GCHD) will structure the COVID-19 Vaccination Program around the phases of vaccine administration as identified by the Advisory Committee on Immunization Practices (ACIP) and as recommended by the Illinois Department of Public Health (IDPH). The Phased Approach is subject to change at any time based on available resources and as directed by advisory groups.

Please visit [www.grundyhealth.com](http://www.grundyhealth.com) or [dph.illinois.gov](http://dph.illinois.gov) for more detailed information about who is considered eligible in each phase. These resources are updating very frequently, and residents should consult regularly.

Total Doses Received in Grundy County: 5,740  
 (Figures do not distinguish between first and second doses)

Total Doses Administered in Grundy County: 5,164  
 Dose 1: 3,743 Dose 2: 1,421  
 (Figures represent residents and the workforce of Grundy County)

PHASE 1a; Started in Grundy on 12/20/2020				
Who	What	Where	When	Est. Persons
Healthcare Personnel & Congregate Care Settings	Pfizer and/or Moderna	<p>Hospital system and EMS personnel have been vaccinated through the hospital system, and other providers have been vaccinated as coordinated with GCHD.</p> <p>Other eligible persons in 1a include non-hospital health care providers and congregate care. More detail about specific professions can be found at <a href="http://dph.illinois.gov">dph.illinois.gov</a>. The list can't possibly be inclusive of all job titles. Rather, 1a is intended to vaccinate those providers who work closely with a vulnerable population and provide care in a high-risk setting.</p> <p><b>Interested healthcare persons not yet vaccinated should complete the 1a survey found at <a href="http://www.grundyhealth.com">www.grundyhealth.com</a>. Appointments will be coordinated after the survey is received.</b></p>	Start: 12/20/20	1700
Long-Term Care Facilities	Pfizer	<p>Each of the five facilities in Grundy are enrolled in the federal Pharmacy Partnership Program, and will receive direct shipment for residents and staff.</p> <p>(Moving to Phase 1b is not dependent upon completion of LTCF vaccination efforts, as this allocation is separate from that received by the Health Department.)</p>	Start: 01/11/21	600

## PHASE 1b; Started in Grundy on 01/23/2021

Adults 65+ Years	An FDA-approved vaccine	<p>An optional interest survey exists at <a href="http://www.grundyhealth.com">www.grundyhealth.com</a>, and is used for planning purposes. As vaccine becomes more available, all interested persons in 1b will have access to an appointment in the coming months.</p> <p><b>Appointments will be coordinated after vaccine supply becomes more available. Limited appointments are available now, and offered to those who completed the survey earliest. This phase is expected to take months to complete.</b></p> <p>If you have completed the survey, someone will be in touch to schedule your appointment at a later time. There is no need to call the Health Department to verify submission of survey.</p> <p>Please consult local media sources regularly for updates: WCSJ on Mondays and Thursdays at 8:40am, <a href="http://www.grundyhealth.com">www.grundyhealth.com</a>, and Grundy County Health Department Facebook.</p>	Start: 01/23/21	7,000
Essential Frontline Workers	An FDA-approved vaccine	<p>An optional interest survey exists at <a href="http://www.grundyhealth.com">www.grundyhealth.com</a>, and is used for planning purposes. As vaccine becomes more available, all interested persons in 1b will have access to an appointment in the coming months.</p> <p><b>Appointments will be coordinated after vaccine supply becomes more available. This phase is expected to take months to complete.</b></p> <p>If you have completed the survey, someone will be in touch to schedule your appointment at a later time. There is no need to call the Health Department to verify submission of survey.</p> <p>GCHD will be working with large employers to obtain the number of interested persons, and will coordinate administration for large employers when vaccine is available. Employees of large employers should consult management to determine if they are included in the count, or need to complete an individual survey.</p> <p>Frontline essential workers, defined as those workers who are essential for the functioning of society and including the following: First responders, Education (day care and pre-K through 12<sup>th</sup> grade), Food and Agriculture, Manufacturing, Corrections Workers and Inmates, USPS, Public Transit Workers, Grocery Store Workers, Shelters/Adult Day Care.</p>	Start: 01/28/21	TBD

<p>Persons 16-64 Years with high-risk medical conditions</p>	<p>An FDA-approved vaccine</p>	<p>An optional interest survey exists at <a href="http://www.grundyhealth.com">www.grundyhealth.com</a>, and is used for planning purposes. As vaccine becomes more available, all interested persons in 1b will have access to an appointment in the coming months.</p> <p><b>Appointments will be coordinated after vaccine supply becomes more available. This phase is expected to take months to complete.</b></p> <p>If you have completed the survey, someone will be in touch to schedule your appointment at a later time. There is no need to call the Health Department to verify submission of survey.</p> <p>This list, as provided by IDPH on 02/10, is subject to change as guidance evolves and currently includes:</p> <ul style="list-style-type: none"> <li>• Cancer</li> <li>• Chronic Kidney Disease</li> <li>• COPD (Chronic Obstructive Pulmonary Disease)</li> <li>• Diabetes</li> <li>• Heart Condition</li> <li>• Immunocompromised State from a Solid Organ Transplant</li> <li>• Obesity</li> <li>• Pregnancy</li> <li>• Pulmonary Disease</li> <li>• Sickle Cell Disease</li> </ul>	<p>Start: 02/25/21</p>	<p>TBD</p>
