DIAMOND I-55 CORRIDOR TIF DISTRICT

STATEMENT OF ACTIVITIES

April 30, 2025

The Diamond I-55 Corridor TIF District is in the early stages of accumulating TIF increment. The only expenditures to date have been for professional services. In the fiscal year ending April 30, 2023, a Redevelopment and Financing Agreement was entered into with Jewel Food Stores, Inc. and TBS-Diamond, L.L.C. for the construction of an approximately 61,277 square foot Jewel/Osco building along with related, entryway roads, internal roads, parking improvements, landscaping improvements and stormwater detention improvements. The construction was completed in calendar year 2024, and as a result, the property tax increment for the TIF District will grow in the coming years. The Village continues to work with developers and end-users for additional development within the TIF District.

**Independent Auditors' Report
On Compliance with Illinois Municipal Code
Subsection (q) Section 11-74.4-3 of Public Act 85-1142**

Honorable Mayor and Village Council
Village of Diamond, Illinois

Report on the Financial Statements

Opinion

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Diamond, Illinois, as of and for the year ended April 30, 2025, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements and have issued our report thereon dated July 8, 2025.

Basis of Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about the financial statements are free from material misstatement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Compliance with laws, regulations, contracts and grants applicable to the Village of Diamond, Illinois, is the responsibility of the Village of Diamond, Illinois' management. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement we performed tests on the Village of Diamond, Illinois' compliance with provisions of Subsection (q) of Section 11-74.4-3 of Public Act 85-1142. However, the objective of our audit of the financial statements was not to provide an opinion on overall compliance with such provisions. Accordingly, we do not express such an opinion.

Responsibility of Management

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

This report is intended solely for the information and use of the Village Board, management, the State of Illinois, and others within the Village and is not intended to be and should not be used by anyone other than those specified parties.
